

Booking Policy

1. Reservation Process

- Reservations can be made online via our platform/mobile application, by phone, or directly at rental counters.
- A booking confirmation with a unique Reservation ID will be issued upon successful booking.

2. Required Information for Booking

- Full name matching the passport/ID.
- Contact number and email address.
- Driver's license details.
- Flight details (for airport pickups).

3. Modifications & Extensions

- Modifications: Changes to rental dates, pickup locations, or vehicle types can be made at least 24 hours prior to the scheduled pickup time, subject to vehicle availability and rate adjustments.
- Extensions: Requests to extend the rental period must be submitted before the original agreement expires and are subject to availability. Unauthorized late returns will incur penalties.
